

Personality style quiz

To define your individual style, check the answer that most applies to you. If two seem to be equal, then check both. It's important to pay attention to your own heart, rather than society's expectations. This quiz will not necessarily define your absolute style, but it can be fun!

1. The home that fits me the best is:

- A A penthouse condominium in the heart of a cosmopolitan city
- B A traditional country estate, perhaps a castle
- C An ecological home, perhaps made from logs, with windows everywhere, somewhere in the country
- D A traditional home in a safe, well-tended neighbourhood
- E A warehouse or other unusual space
- F A beautiful home in a gated community
